**Computación Neuronal y Evolutiva**

**Grupo H**

Para realizar el trabajo sobre *CE aplicada al transporte físico* hemos elegido siguientes artículos:

1. **How evolutionary selection can train more capable self-driving cars**.
   https://deepmind.com/blog/article/how-evolutionary-selection-can-train-more-capable-self-driving-cars

2. **A new genetic algorithm for traffic control optimization.**
   https://techxplore.com/news/2019-07-genetic-algorithm-traffic-optimization.html
